INDEPENDENT AUDITOR'S REPORT

Board of Directors
Safe Harbour, Inc.

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Safe Harbour, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets on a modified cash basis as of June 30, 2019 and 2018, and the related statements of support, revenue, expenses, and changes in net assets on a modified cash basis, and functional expenses on a modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Safe Harbour, Inc. as of June 30, 2019 and 2018, and its support, revenue, expenses, and changes in net assets for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Adoption of New Accounting Standard

As discussed in Note 1 to the financial statements, the Organization adopted Accounting Standard Updates 2016-04; *Presentation of Financial Statements for Not-for-Profit Entities* (Topic 958) during the year ended June 30, 2019. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 17, 2019, on our consideration of Safe Harbour, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on effectiveness of Safe Harbour, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Safe Harbour, Inc.'s internal control over financial reporting and compliance.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Safe Harbour, Inc. is incorporated under Pennsylvania law as a nonprofit corporation. Located in Carlisle, Pennsylvania, the Organization provides shelter and supportive services for homeless individuals and families through short and long term emergency shelter; a Rapid Re-Housing Program; permanent housing, known as Harbour Place and Wilson House Apartments; and a Shelter Plus Care Program for permanent housing. HUD Section 8 housing assistance is accepted for the permanent housing programs.

Basis of Accounting

As is the case of many organizations of this type, the accounts are maintained, and the financial statements are presented, on a modified cash basis. Therefore, receivables, payables, and accrued income and expense, which may be material in amount, are not reflected on the modified cash basis statements. Consequently, these statements are not intended to present the overall financial position or results of operations in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principles

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities; *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958). The update addresses the complexity and understandability of net asset classifications, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization has implemented ASU 2016-14 and has adjusted the presentation in these financial statements for 2019 and 2018 accordingly.

Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The Organization reports information regarding its statements of assets, liabilities and net assets, and statements of support, revenue, expenses, and changes in net assets according to two classes of net assets: net assets without donor restriction and net assets with donor restriction. A description of the two net asset categories follows:

Net assets without donor restriction – Net assets that are not subject to donor-imposed restrictions. Without donor restriction net assets may be designated for specific purpose by action of the Board of Directors.

SAFE HARBOUR, INC.
Notes to Financial Statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net assets with donor restriction – Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time and net assets subject to donor-imposed restrictions that are to be maintained permanently by the Organization.

Cash

For purposes of the financial statements, the Organization considers all highly liquid investments with an original maturity date of three months or less as a cash equivalent.

Assets Limited as to Use

Assets limited as to use includes tenant security deposits and board-designated investments. The investments are held within the Organization's endowment fund and can be designated by the board for various uses, as long as the requirements set forth in the Investment Policy, as described in Note 9, are followed.

Investments

Investments in debt and equity securities with readily determinable market values are reported at market value. Unrealized gains and losses are reported as increases or decreases in net assets without donor restriction unless their use is restricted by explicit donor stipulation or by law. Realized gains and losses, if any, on the sale or disposal of investments are computed on a specific identification basis and are also included as increases or decreases in net assets without donor restriction unless their use is restricted by donor stipulation or by law.

Revenue and Support

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction support depending on the existence and/or nature of any donor restrictions. Grants and other contributions of cash and other assets are reported as net assets with donor restriction support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, or when the stipulated time restriction that the donor placed on the asset ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of support, revenue, expenses, and changes in net assets as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restriction contributions.

SAFE HARBOUR, INC.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services and Materials

A significant amount of volunteer time and non-cash items are donated to the Organization throughout the year. For the years ended June 30, 2019 and 2018, volunteer time and non-cash donations were valued at \$ 111,374 and \$ 91,354, respectively. This balance is comprised of food, miscellaneous supplies, and Christmas gifts. This amount is not recognized as contributions in the financial statements under the modified cash basis of accounting. In addition, volunteer time is not valued for financial reporting purposes.

Functional Allocation of Expenses

The costs of providing the Organization's programs and activities have been summarized on a functional basis in the Statements of Support, Revenue, Expenses, and Changes in Net Assets – Modified Cash Basis, and in the Statements of Functional Expenses – Modified Cash Basis, based on management's estimate of the time and expense spent for each of the functions. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2 INCOME TAX

The Organization has elected under provisions of the Internal Revenue Code Section 501(c)(3), and under the laws of the Commonwealth of Pennsylvania to be exempt from federal and state income taxes. Accordingly, no provision for income taxes is included in the accompanying financial statements. The Organization is not deemed to be a private foundation by the Internal Revenue Service.

The Organization follows the modified cash basis of accounting, which provides guidance on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The Organization's policy is to recognize interest and penalties on unrecognized tax matters in income tax expense in the financial statements. The Organization's tax returns are subject to examination by the Internal Revenue Service and state tax authorities, generally for a period of three years after the returns are filed.

NOTE 3 PROPERTY AND EQUIPMENT

Property and equipment are stated at cost. Purchases in excess of \$ 1,000 are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the individual assets. Depreciation expense for the years ended June 30, 2019 and 2018 was \$ 55,883 and \$ 55,115, respectively. The amount allocated to net commercial rental income was \$ 2,794 for 2019 and \$ 2,756 for 2018.

NOTE 6 FUNDRAISING

The Organization conducted several fundraising activities during the year. Support received from these efforts for the years ended June 30, 2019 and 2018 was \$ 49,619 and \$ 46,860, respectively, and is included in contribution income on the financial statements. Total fundraising expenses for the years ended June 30, 2019 and 2018 were \$ 39,469 and \$ 37,952, respectively.

NOTE 7 LINE OF CREDIT

The Organization has an unsecured line-of-credit for \$ 200,000 with F & M Trust. The line of credit is due on demand and bears interest at the prime rate. The Organization had no draws on this line of credit at June 30, 2019 and 2018.

The Organization has an unsecured line-of-credit for \$ 700,000 with F & M Trust to be used for long term investment real estate acquisitions. Upon use of the line-of-credit the organization has two interest rate options to choose from: variable at U.S. Prime Rate, or Fixed based upon current market conditions with a minimum of 2.50% over the Bank's Internal Transfer Rate for an initial period of time and thereafter variable at U.S. Prime Rate. The term of the loan is 10 years for each draw with an amortization period of 20 years. The line-of-credit is to be renewed on an annual basis as of December 31. The Organization had no draws on this line of credit at June 30, 2019 and 2018.

NOTE 8 LEASES

The Organization leases a portion of the Bridge Housing property to commercial tenants on an annual basis with monthly rental payments. Rental income from the commercial properties was \$ 17,100 and related rental expenses were \$ 8,111 for the year ended June 30, 2019. Rental income from the commercial properties was \$ 21,900 and related rental expenses were \$ 7,967 for the year ended June 30, 2018.

NOTE 9 ENDOWMENTS

The Organization's endowment was established to accumulate a pool of assets sufficient to build capital for future projects and support current operating needs. The Organization's endowment consists of board-designated endowment funds. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Commonwealth of Pennsylvania has not adopted the Uniform Prudent Management of Institutional Funds Act of 2006. Guidance for the administration of endowment funds in Pennsylvania is provided in Act 141, which was passed by the Pennsylvania legislature in 1998. Under Act 141, Pennsylvania not-for-profit organizations are permitted to elect an annual amount that may be used from their endowment funds based on an annual spending rate between 2% and 7%. Act 141 permits the spending of accumulated principal and income from an endowment fund if the amount withdrawn is less than or equal to the annually elected percentage. The Organization's interpretation of Act 141 classifies all interest income, dividends, and capital appreciation earned by board-designated endowment fund investments as net assets without donor restriction activity. As a result of this interpretation, Safe Harbour, Inc. classifies as net assets without donor restriction –

SAFE HARBOUR, INC.
Notes to Financial Statements

NOTE 9 ENDOWMENTS (CONTINUED)

board designated net assets, the original value of gifts donated to the endowment and all earnings thereon.

Safe Harbour, Inc. considers several factors when making a determination to appropriate or accumulate board-designated endowment funds. These factors include the duration and preservation of the fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and the appreciation of investments, other resources of Safe Harbour, Inc. and the investment policy of the Organization.

Safe Harbour, Inc. has adopted an investment policy and strategies to achieve the greatest return possible for the amount of risk assumed by the Endowment. Under this policy, assets are invested in a manner intended to produce results that exceed the spending rate plus inflation, as measured by the Consumer Price Index. Actual returns in any year may vary from these goals.

To satisfy the long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Endowment targets a diversified asset allocation that places a greater emphasis on equity and debt-based investments to achieve its long-term return objectives within prudent risk constraints.

The Organization's investment policy includes specific guidance on the maximum amounts that may be withdrawn from the endowment each year. Each year the Finance Committee can recommend to the Board of Directors, a spending rate for the upcoming year, based upon the budget, not to exceed 5% of the principal value of the Endowment. This approach is consistent with the provisions of Act 141. In the event that additional funds are needed to cover the cost of operations, distributions greater than 5% of the principal value of the Endowment may be authorized by the Board of Directors.

Endowment net assets consisted of the following as of June 30, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Board designated endowment funds	<u>\$ 122,647</u>	<u>\$ 115,610</u>

NOTE 10 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuations techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices available in active markets for identical assets or liabilities that the organization can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

SAFE HARBOUR, INC.

NOTE 10 FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money Market

Carrying value approximates market because of the short-term natures of these investments.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held are deemed to be actively traded.

The fair values of the assets measured on a recurring basis as of June 30, 2019 and 2018 are as follows:

<u>At June 30, 2019</u>	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market funds	\$ 5,931	\$ 5,931	\$ -	\$ -
Fixed income mutual funds:

NOTE 11 CONTINGENCIES

For the years ending June 30, 2019 and 2018, 70% and 85%, respectively, of the Organization's total revenue was from contributions and grants. A reduction in this funding could have a significant negative impact on the Organization.

NOTE 12 ASSETS HELD FOR SALE

During the prior year the Organization received a donation of a Jeep. The intention was for the Jeep to be sold. The estimated fair market value of the Jeep was \$ 1,142 at June 30, 2018 and is included on the statement of assets, liabilities, and net assets on the modified cash basis as an asset held for sale at June 30, 2018. During the year ended June 30, 2019 the Jeep was sold for \$ 1,200.

NOTE 13 LIQUIDITY AND AVAILABILITY

The Organization's financial assets available within one year of the statement of assets, liabilities, and net assets – modified cash basis date for general expenditures are as follows:

	<u>2019</u>	<u>2018</u>
Financial assets at year end		
Cash and cash equivalents	\$ 350,004	\$ 390,671
Resident receivable	4,667	5,565
Endowment fund	<u>122,647</u>	<u>115,610</u>
Total financial assets	477,318	511,846
Less restricted amounts		
Board designated endowment fund	(122,647)	(115,610)
Plus yearly allocations from endowments		
Endowment spending-rate distributions and appropriations	6,132	5,781
	<u>\$ 360,803</u>	<u>\$ 402,017</u>

The Organization's board designated endowment of \$ 122,647 is subject to an annual spending rate of 5% as described in Note 9. Although the Organization does not intend to spend this board-designated endowment (other than amounts appropriated for general expenditures as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As more fully described in Note 7, the Organization has a line of credit in the amount of \$ 200,000, which it could draw upon in the event of an unanticipated liquidity need.

NOTE 14 SUBSEQUENT EVENTS

The Organization has evaluated events and transactions subsequent to June 30, 2019 through October 17, 2019, the date these financial statements were available to be issued. Management has not identified any events requiring recognition or disclosure in the financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Safe Harbour, Inc.
Carlisle, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Safe Harbour, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets on a modified cash basis as of June 30, 2019, and the related statements of support, revenue, expenses, and changes in net assets on a modified cash basis, and functional expenses on a modified cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 17, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Safe Harbour, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Safe Harbour, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Safe Harbour, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Safe Harbour, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion of the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
