INDEPENDENT AUDITOR'S REPORT

Board of Directors Safe Harbour, Inc. Carlisle, Pennsylvania

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying financial statements of Safe Harbour, Inc. (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets – income tax basis as of December 31, 2024 and the related statements of support, revenue, expenses, and changes in net assets, and functional expenses all on the income tax basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the assets, liabilities, and net assets of Safe Harbour, Inc. as of December 31, 2024, and its support, revenue, expenses, and changes in net assets for the year then ended in accordance with the income tax basis of accounting as described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safe Harbour, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the income tax basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the income tax basis of accounting described in Note 1, and for determining that the income tax basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe Harbour, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe Harbour, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

Smith Elliatt Kears & Company, LLC.

In accordance with *Government Auditing Standards*, we have also issued our report dated May28, 2025, on our consideration of Safe Harbour, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on effectiveness of Safe Harbour, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Safe Harbour, Inc.'s internal control over financial reporting and compliance.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Safe Harbour, Inc. is incorporated under Pennsylvania law as a nonprofit corporation. Located in Carlisle, Pennsylvania, the Organization provides shelter and supportive services for homeless individuals and families through short- and long-term emergency shelter; a Rapid Re-Housing Program; permanent housing, known as Harbour Place, Harbour House, Opportunity Homes and Wilson House Apartments; and a Shelter Plus Care Program for permanent housing. HUD Section 8 housing assistance is accepted for the permanent housing programs.

Basis of Accounting

As is the case of many organizations of this type, the accounts are maintained, and the financial statements are presented, on the income tax basis. Therefore, receivables, payables, and accrued income and expense, which may be material in amount, are not reflected on the income tax basis statements. Consequently, these statements are not intended to present the overall financial position or results of operations in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The Organization reports information regarding its statement of assets, liabilities and net assets, and statement of support, revenue, expenses, and changes in net assets according to two classes of net assets: net assets without donor restriction and net assets with donor restriction. A description of the two net asset categories follows:

<u>Net assets without donor restriction</u> – Net assets that are not subject to donor-imposed restrictions. Net assets without donor restriction may be designated for specific purposes by action of the Board of Directors.

<u>Net assets with donor restriction</u> – Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time and net assets subject to donor-imposed restrictions that are to be maintained permanently by the Organization.

Cash and cash equivalents

For purposes of the financial statements, the Organization considers all highly liquid investments with an original maturity date of three months or less as a cash equivalent.

Assets Limited as to Use

Assets limited as to use includes tenant security deposits and board-designated investments. The investments are held within the Organization's endowment fund and can be designated by the board for various uses, as long as the requirements set forth in the Investment Policy, as described in Note 9, are followed.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments in debt and equity securities with readily determinable market values are reported at market value. Unrealized gains and losses are reported as increases or decreases in net assets without donor restriction unless their use is restricted by explicit donor stipulation or by law. Realized gains and losses, if any, on the sale or disposal of investments are computed on a specific identification basis and are also included as increases or decreases in net assets without donor restriction unless their use is restricted by donor stipulation or by law.

Market Risks

The Organization invests in various investment securities, which are exposed to various risks, such as interest rate, market, currency, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could be material.

Revenue and Support

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction support depending on the existence and/or nature of any donor restrictions. Grants and other contributions of cash and other assets are reported as net assets with donor restriction support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, or when the stipulated time restriction that the donor placed on the asset ends or purpose restriction is accomplished, net assets with donor restriction are reclassified as net assets without donor restrictions and reported in the statement of support, revenue, expenses, and changes in net assets as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restriction contributions.

Donated Services and Materials

A significant amount of volunteer time and non-cash items are donated to the Organization throughout the year. For the year ended December 31, 2024, non-cash donations were valued at \$ 138,848. This balance is comprised of food, miscellaneous supplies, and Christmas gifts. This amount is not recognized as contributions in the financial statements under the income tax basis of accounting. In addition, volunteer time is not valued for income tax basis reporting purposes.

Functional Allocation of Expenses

The costs of providing the Organization's programs and activities have been summarized on a functional basis in the statement of support, revenue, expenses, and changes in net assets – income tax basis, and in the statement of functional expenses – income tax basis, based on management's estimate of the time and expense spent for each of the functions. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2 INCOME TAX

The Organization has elected under provisions of the Internal Revenue Code Section 501(c)(3), and under the laws of the Commonwealth of Pennsylvania to be exempt from federal and state income taxes. Accordingly, no provision for income taxes is included in the accompanying financial statements. The Organization is not deemed to be a private foundation by the Internal Revenue Service.

The Organization follows the income tax basis of accounting, which provides guidance on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The Organization's policy is to recognize interest and penalties on unrecognized tax matters in income tax expense in the financial statements. The Organization's tax returns are subject to examination by the Internal Revenue Service and state tax authorities, generally for a period of three years after the returns are filed.

NOTE 3 PROPERTY AND EQUIPMENT

Property and equipment are stated at cost. Purchases in excess of \$ 1,000 are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the individual assets. The estimated useful lives of the major components of property and equipment are five to forty years. Depreciation expense for the year ended December 31, 2024 was \$ 50,479. The amount allocated to net commercial rental income was \$ 2,524 for the year ended December 31, 2024.

Property and equipment consist of the following at December 31:

Land	\$ 126,070
Buildings	1,226,590
Improvements	1,075,039
Fixtures and equipment	251,405
Vehicles	21,958
	2,701,062
Less: Accumulated depreciation	1,217,646
Net property and equipment	\$ 1,483,416

NOTE 4 INVESTMENTS

The composition of investments in the Organization's investment portfolio at December 31, 2024 is set forth in the following schedule:

	Cost		Fair Value		
Board-designated investments					
(endowment fund)					
Money Market Funds	\$	53,788	\$	53,788	
Mutual Funds - Fixed income		369,034		355,146	
Mutual Funds - Equities		502,447		594,637	
	\$	925,269	\$	1,003,571	

NOTE 5 GRANTS

Grant revenue consisted of the following during the year ended December 31:

Emergency Shelter - HAP Grant	\$ 47,413
Emergency Shelter - ESG	72,366
Emergency Shelter - Spark Good Local Grant	2,000
Emergency Shelter - M & T Charitable Foundation	3,000
Emergency Shelter - Thrivent Charity	400
Emergency Shelter - Kline Foundation	5,000
Emergency Shelter - CDBG	55,690
Harbour House - CDBG	326,000
Emergency Shelter - PayPal Giving Fund	148
Emergency Shelter - EFSP	15,000
Emergency Shelter - Community Aid	35,000
Emergency Shelter - Servants Heart Family Foundation	5,000
Emergency Shelter - Borough of Carlisle	1,500
Emergency Shelter - Partnership for Better Health	2,300
Emergency Shelter - Kiwanis Foundation	750
Emergency Shelter - Central PA Porsche Club of America	 5,000
Total grant revenue	\$ 576,567

NOTE 6 FUNDRAISING

The Organization conducted several fundraising activities during the year. Support received from these efforts for the year ended December 31, 2024 was \$59,102, and is included in contribution income on the financial statements. Total fundraising expenses for the year ended December 31, 2024 were \$26,747.

NOTE 7 LINES OF CREDIT

The Organization has an unsecured line-of-credit for \$200,000 with F & M Trust. The line of credit is due on demand and bears interest at the prime rate. The Organization had no draws on this line of credit at December 31, 2024.

NOTE 8 LEASES

The Organization leases a portion of the Bridge Housing property to commercial tenants on an annual basis with monthly rental payments. Rental income from the commercial properties was \$28,930 and related rental expenses were \$9,883 for the year ended December 31, 2024.

NOTE 9 ENDOWMENTS

The Organization's endowment was established to accumulate a pool of assets sufficient to build capital for future projects and support current operating needs. The Organization's endowment consists of board-designated endowment funds. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Commonwealth of Pennsylvania has not adopted the Uniform Prudent Management of Institutional Funds Act of 2006. Guidance for the administration of endowment funds in Pennsylvania is provided in Act 141, which was passed by the Pennsylvania legislature in 1998. Under Act 141, Pennsylvania not-for-profit organizations are permitted to elect an annual amount that may be used from their endowment funds based on an annual spending rate between 2% and 7%. Act 141 permits the spending of accumulated principal and income from an endowment fund if the amount withdrawn is less than or equal to the annually elected percentage. The Organization's interpretation of Act 141 classifies all interest income, dividends, and capital appreciation earned by board-designated endowment fund investments as net assets without donor restriction activity. As a result of this interpretation, Safe Harbour, Inc. classifies as net assets without donor restriction – board designated net assets, at the original value of gifts donated to the endowment and all earnings thereon.

The Organization considers several factors when making a determination to appropriate or accumulate board-designated endowment funds. These factors include the duration and preservation of the fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and the appreciation of investments, other resources available and the investment policy of the Organization.

The Organization has also adopted an investment policy and strategies to achieve the greatest return possible for the amount of risk assumed by the Endowment. Under this policy, assets are invested in a manner intended to produce results that exceed the spending rate plus inflation, as measured by the Consumer Price Index. Actual returns in any year may vary from these goals.

To satisfy the long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Endowment targets a diversified asset allocation that places a greater emphasis on equity and debt-based investments to achieve its long-term return objectives within prudent risk constraints.

NOTE 9 ENDOWMENTS (CONTINUED)

The Organization's investment policy includes specific guidance on the maximum amounts that may be withdrawn from the endowment each year. Each year the Finance Committee can recommend to the Board of Directors, a spending rate for the upcoming year, based upon the budget, not to exceed 5% of the principal value of the Endowment. This approach is consistent with the provisions of Act 141. In the event that additional funds are needed to cover the cost of operations, distributions greater than 5% of the principal value of the Endowment may be authorized by the Board of Directors.

Endowment net assets consisted of the following as of December 31, 2024:

Board designated endowment funds \$ 1,003,571

The changes in endowment net assets for the year ended December 31, 2024 were as follows:

	Unrestricted
Endowment net assets at	
January 1, 2024	928,182
Contributions	36,600
Investment return:	
Investment income	62,529
Unrealized appreciation	48,487_
Total investment return	111,016
Appropriation of endowment	
• •	(=0.00=)
assets for expenditure	(72,227)
Endowment net assets at	
December 31, 2024	\$ 1,003,571

NOTE 10 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuations techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- **Level 1:** Inputs to the valuation methodology are quoted prices available in active markets for identical assets or liabilities that the organization can access at the measurement date.
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive
 - markets:
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money Market

Carrying value approximates market because of the short-term nature of these investments.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held are deemed to be actively traded.

NOTE 10 FAIR VALUE MEASUREMENTS (CONTINUED)

The fair values of the assets measured on a recurring basis as of December 31, 2024 are as follows:

			Qu	oted Prices in	Sig	Significant		ificant
			Acti	ve Markets for	Other	Other Observable		servable
At December 31, 2024	Fair	Value	Identic	al Assets (Level 1)	<u>Input</u>	ts (Level 2)	Inputs (Level 3)	
Money market funds	\$	53,788	\$	53,788	\$	\$ -		
Fixed income mutual funds:

	\$ 1,0	03,571	\$	1,003,571	\$	-	\$	-

NOTE 11 CONCENTRATIONS

For the year ending December 31, 2024, 75% of the Organization's total revenue was from contributions and grants. A reduction in this funding could have a significant negative impact on the Organization.

NOTE 12 INVESTMENT IN HARBOUR VILLAGE

On June 4, 2020, the Organization signed an Agreement of Sale with Smith Farm Partners, LLC to purchase approximately 5 acres of undeveloped land for \$175,000 per acre but not to exceed a maximum of \$875,000. An earnest money deposit in the amount of \$25,000 was paid in each of the years ended June 30, 2020, and 2021 and is included on the statement of assets, liabilities, and net assets – income tax basis as Harbour Village Investment. The earnest money deposit will be credited against the purchase price at closing. On June 23, 2023, Harbour Village LP purchased the land from Smith Farm Partners, LLC.

On November 15, 2021, Safe Harbour, Inc. entered into a limited partnership, Harbour Village LP, to construct, renovate, rehabilitate, and operate an affordable housing apartment complex. Safe Harbour, Inc. is the limited partner and owns 100% of the general partner. On June 23, 2023 the partnership agreement was amended and restated, and Orrstown Bank replaced Safe Harbour, Inc. as the Limited Partner.

NOTE 12 INVESTMENT IN HARBOUR VILLAGE (CONTINUED)

At December 31, 2024, Safe Harbour, Inc. has a .01% interest as general partner in Harbour Village LP. Safe Harbour, Inc. is the controlling general partner. Harbour Village LP was awarded Federal Low Income Housing Tax Credits not to exceed \$ 1,250,000 through the Pennsylvania Housing Finance Agency for the development of this project.

NOTE 13 OPPORTUNITY HOMES PROJECT

On September 26, 2024 and October 15, 2024 Carlisle Opportunity Homes Inc. donated a total of 21 properties, which includes 27 units available to low-income households, to the Organization. Those units that were already rented maintained their tenants. Vacant units will be repaired as needed and made available to low-income households. The Organization was required to pay settlement costs related to the transfer of this property. The net book value of these properties at the time of donation was \$ 184,927 and is included as a donation on the statement of support, revenue, expenses and changes in net assets – income tax basis.

In addition to the homes, Carlisle Opportunity Homes Inc. donated \$52,554 in cash to the Organization which will be used to fund the needed repairs.

NOTE 14 HARBOUR HOUSE PROJECT

On December 15, 2023, a local church donated a home to the Organization. This home will be renovated and utilized for housing for low-income individuals. The Organization was required to pay settlement costs related to the transfer of this property.

On October 31, 2023, an agreement was signed with Tuckey Restoration, Inc. for renovations at Harbour House. The renovations were completed during 2024 and property was ready to be occupied October 31, 2024. As of December 31, 2024 no individuals had moved into the home.

NOTE 15 LIQUIDITY AND AVAILABILITY

The Organization's financial assets available within one year of the statement of assets, liabilities, and net assets date for general expenditures are as follows:

Financial assets at year end	
Cash and cash equivalents	\$ 517,173
Resident receivable	3,880
Endowment fund	1,003,571
Total financial assets	1,524,624
Less restricted amounts	
Board designated endowment fund	(1,003,571)
Plus yearly allocations from endowments	
Endowment spending-rate distributions	50,179
and appropriations	
	\$ 571,232

The Organization's board designated endowment of \$ 1,003,571 is subject to an annual spending rate of 5% as described in Note 9. Although the Organization does not intend to spend this board-designated endowment (other than amounts appropriated for general expenditures as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

NOTE 15 LIQUIDITY AND AVAILABILITY (CONTINUED)

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As more fully described in Note 7, the Organization has a line of credit in the amount of \$200,000, which it could draw upon in the event of an unanticipated liquidity need.

NOTE 16 SUBSEQUENT EVENTS

The Organization has evaluated events and transactions subsequent to December 31, 2024 through May 28, 2025, the date these financial statements were available to be issued. Management has not identified any events requiring recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Safe Harbour, Inc. Carlisle, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Safe Harbour, Inc. (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets - income tax basis as of December 31, 2024, and the related statements of support, revenue, expenses, and changes in net assets and functional expenses all on an income tax basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 28, 2025.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered Safe Harbour, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Safe Harbour, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Safe Harbour, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

REPORT ON COMPLIANCE AND OTHER MATTERS

Smith Elliott Kears & Company, LLC.

As part of obtaining reasonable assurance about whether Safe Harbour, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
